Technology Connectivity Certification

The connectivity of the SIP Trunking Service Provider

Steffel-Voice

has been successfully re-certified at the SIP Trunking Interface of
OpenScape Business V4R0

Steffel TK GmbH is entitled to label their SIP Trunking Service with the OpenScape Business certified ITSP emblem.

This certificate is valid in Germany in conjunction with the test report and the notes contained therein.
The notes are published in the Unify Wiki:
https://wiki.unify.com/index.php/Collaboration_with_VoIP_Providers#Released_SIP_Providers_in_Detail

The test report is focused on the functionality of the SIP Trunking interface. Test of overall feature functionality of solutions is not part of this certification.
