

Unify

Technology connectivity certification

The connectivity of the SIP Trunking Service Provider

Steffel-Voice

has been successfully certified at the SIP Trunking Interface of
OpenScape Business V2R7

Steffel- is now entitled to label their SIP Trunking Service with the OpenScape
Business certified ITSP emblem.

*This certificate is valid in Germany in conjunction with the test report and the notes contained therein. The notes are published in the UNIFY Wiki:
http://wiki.unify.com/index.php/Collaboration_with_VoIP_Providers#Released_SIP_Providers_in_Detail*

The test report is focused on the functionality of the SIP Trunking interface. Test of overall feature functionality of solutions has not been part of this certification.

Munich, July 31th 2019
